This newsletter aims to keep you informed about every aspect of our relocation. If you have questions or concerns please contact Annie Carment on 47573239 or [acarment@bigpond.net.au](mailto:acarment@bigpond.net.au).

## Do you need to know more?

Our aim is to keep everyone informed about every aspect of our relocation. However, this is an enormous project and we don't wish to drown you in a sea of detail. If you would like more detail about any aspect of the relocation - legal, financial or organisational - or if you have suggestions, please feel free to contact Annie Carment on 0431 352 022 or [acarment@bigpond.net.au](mailto:acarment@bigpond.net.au).

## **Capital funding**

The meetings of the AIS grants committees that decide on our capital funding for this year take place this week (not last month as we had expected). These will be immediately followed by meetings with the vendors, lawyers and School Council to finalise legal and financial arrangements.

In the meantime, we are putting the necessary arrangements in place so that building can begin in August/September.

## **Fundraising appeal**

Our “Sharing the Load” fundraising appeal has so far yielded pledges of \$160,000. This is very much appreciated and much needed, but is still \$40,000 short of our target. As explained in our initial letter, all that we require at this stage is a pledge for the amount that each family could donate once the building work begins.

Our aim is to share the financial load equitably, on the assumption that some families can afford less than \$1,000 and others more. We have so far received pledges ranging from \$40 to \$50,000. One family has offered to match any donation over \$1,000 (to a maximum of \$50,000).

Narelle, our bursar, can organise payment by direct debit or by salary sacrifice. All donations are tax deductible. Narelle will contact you with information about how and when your pledge will be called on.

If you have not yet responded to our appeal, or if you would like to increase your pledged amount, please contact Narelle in the office on Monday, Tuesday or Friday, or at [narelle.chambers@korowal.nsw.edu.au](mailto:narelle.chambers@korowal.nsw.edu.au).

## **Transport to “Oaklands”**

Debra Keenahan and Leanne Kent are working on all the issues associated with transport arrangements to the new school - car pooling, train/bus, and bus. Later in the year we will inform everyone of the precise arrangements, alternatives and timetables.

## **The big move**

Cindy Babbage and Mick Barrett will assist the teaching staff in co-ordinating the enormous task of physically moving from Leura to Hazelbrook.

## **Music Fundraiser**

Our music fundraiser at the Wentworth Falls School of Arts will now be held in November - the date will be confirmed in the next newsletter.

If you can help with food preparation, please contact Tracey on 47 829946.

## **Fun Run reminder**

Please send in completed forms and collected funds for the fun run now if you haven't already.
